WORK EXPERIENCE

ALPHAEUS
Changi Business District
Nov 2023 - Jul 2024

L1 Technical Support

- Identified and resolved a recurring root-cause issue for Microsoft account inquiries that previously suffered from high escalation rates and inconsistent handling.
- Developed and validated a new troubleshooting protocol through iterative testing, significantly increasing first-call resolution for the team.
- Demonstrated technical agility by diagnosing complex user account issues and providing clear, actionable solutions under performance KPIs.

NTUC FAIRPRICE
Singapore, Singapore
Jul 2022 - Aug 2022

Picker

- Executed high-accuracy order fulfillment for a high-volume e-commerce platform, ensuring 100% correctness in item selection and secure packing.
- Maintained strict quality control standards when handling diverse inventory, contributing to reduced order discrepancies and returns.

SUSHI EXPRESS GROUP PTE. LTD.
Singapore
Jul 2020 - Aug 2020

Waiter

- Thrived in a high-pressure environment, managing guest flow and service for an outlet with consistent 60-minute wait times during peak hours.
- Prioritized multitasking and efficiency to maintain rapid table turnover while delivering high-quality customer service.
- Owned operational readiness by managing opening and closing procedures and ensuring the dining floor met all health and safety regulations.

EXTRA-CURRICULAR ACTIVITIES

PLAY INCLUSIVE
Jun 2025 - Aug 2025

Volunteered to help train elderly people with intellectual disabilities in basic basketball skills

- Facilitated specialized basketball training for a small group of seniors with intellectual disabilities, focusing on individual progress and motor skill development.
- Adapted instructional methods on the fly to accommodate different learning styles and cognitive needs, ensuring complex movements were understood and executed correctly.
- Successfully coached participants to demonstrate measurable improvement in physical coordination and skill mastery over the 3-month program.
- Exercised extreme patience and empathy to build rapport with participants, creating a safe and encouraging environment for social and physical growth.
